Subject: Greenview/grounds equipment

Trustees:

I have been in contact with Andrea from 1102 Greenview regarding the roll off dumpster. She will be sending an email explaining the situation. I told her there is an odor coming from the bin. She emphatically denies any smell/odor. I told her again it has to be removed. I will forward her response.

I apologize for this, my correspondence to the Trustees from 2 weeks in July were not posted to the Holiday Park webpage, this was an oversight. I'm hoping this will clear up any questions the residents may have concerning the sale of some of the grounds equipment. The equipment was purchased by Bushco and Small Equipment RX LLC. Bushco has done work in the green spaces with Bob Shortlidge, and myself. Small Equipment RX LLC has repaired the blown motor in the gator free of charge, we were told by two mechanics that it would cost approximately \$2,000.00. Both are reputable business men.

As reported, I will be taking 3 vacation days, July 29th to July 31st
Staff will be able to reach me in case of an emergency.

Thank You,

Sheree Morris
